BOARD OF SUPERVISORS SITTING IN REGULAR SESSION**6. CONSENT CALENDAR:** For consideration and approval**A. CALL TO THE PUBLIC****B. APPROVAL OF CONSENT CALENDAR****7. COUNTY ADMINISTRATOR****Revision to Merit System Rules and Personnel Policies**

Staff requests approval of the following revisions:

A. Personnel Policy 7-108.A and 7-108.G.11

On January 28, 2008, President George Bush signed into law the National Defense Authorization Act. Included in this law was an expansion of FMLA protected leave from twelve (12) weeks to six months to care for loved ones of service members. This amendment allows the immediate family of military personnel to use Family Medical Leave Act time for issues directly arising from the deployment and extended deployments and applies only to those otherwise eligible for Family and Medical Act time. This law also allows for 26 weeks of leave to care for injured family members who are covered service members. The Federal regulations are in the draft stages, but the Federal government strongly recommends that employers include these changes in policy and allow such leave to be taken in good faith, especially since the law became effective January 28, 2008.

B. Personnel Policy 7-112.A and B.

The conditions under which an employee must contribute to the Arizona State Retirement System (ASRS) are defined in the ASRS' Rules of Eligibility. It is important that our policy mirrors these requirements so that employees are properly informed.
